

POŠESTVO GRAD PRESTRANEK

MENU

*In our restaurant we offer you dishes from organic natural Angus meat. We also have some delicious fresh meat and home made sausages and salami for sale. For more information please write us on our e-mail:
info@gradprestranek.si*

The black German Angus is the cattle for meat, with which we are dealing breeding since year 2003. Our herd is from Luksemburg and considered over 120 heads of cattle. A year-round grazing and organic farming, gives the meat a nice freshness and flavor. This meet contains less fat and it is nicely structured.

All prices are in EUR.
